

Only at ERRA.
About emerging markets,
but not only for emerging markets!

Hosted by: Federal Antimonopoly Service (FAS Russia)

BEST PICKS FROM THE AGENDA:

- Electricity Market Design – the global trends: case studies and roundtable discussion
- Pricing and Tariffs – simulations to make it more real-life
- Investment Incentives – generation, network and RES: African case studies
- Ownership – public vs. private: showcasing the conflicts
- Spiced with topics related to CIS countries

INTERNATIONALLY RECOGNIZED INSTRUCTOR TRIO:

ERRA's fantastic training director for more than a decade now

Péter KADERJÁK

Director,
Regional Centre for Energy Policy Research (REKK), Hungary

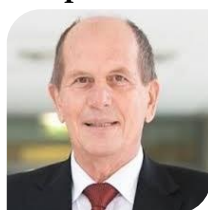

Africa's lead energy regulatory expert

Anton EBERHARD

Professor,
University of Capetown, South Africa

A real veteran of regulators with broad international experience

Vidmantas JANKAUSKAS

Professor,
Vilnius Technical University, Lithuania

THIS COURSE IS A PERFECT CHOICE FOR YOU IF:

- ✓ You are a regulator from an emerging country
- ✓ You are involved in the energy supply chain in an emerging country
- ✓ You are working on developing the energy market of an emerging country
- ✓ You are an investor looking at emerging regions
